

Appleton Legion Baseball is one of the oldest Legion Baseball programs in the nation. We will play in our 100th consecutive season this Summer! Over the years, we have won 9 state championships and participated in 27 state tournaments. For the past 23 seasons we've offered an opportunity for our players to play in a fall baseball program as an alternative activity for those that do not participate in a high school fall sport.

We are proud of the achievements of our teams over the years and the hard work of many volunteers and families that make it all possible. We have seen the success of our players both on and off the diamond, many of whom have gone on to be leaders in our communities.

All of this comes with program expenses. We rely on the support of local businesses, community grants, and friends and family to help make our program possible each year. Our major expenses include the upkeep of our facilities, baseball equipment needs, game expenses and tournament expenses for our teams. Donations help to make our program very affordable for our players and their families.

Appleton Legion Baseball is a recognized 501(c)3 organization. All donations are 100% tax deductible. Our State and Federal Tax ID numbers and forms are available for review upon your request.

The following page tells more of the story of our program and outlines sponsorship opportunities. Thank you for your generous support.

Sincerely,

Steven D. Hawkins
Vice President
